

### STOPSOP --- RESPITE:

At the Conclusion of the painful Convocation in June, the Treasurer advised that a special Convocation would be convened in July to resume consideration of this most contentious issue. Many have been awaiting the details.

However, upon reflection, following feedback from Benchers and hopefully with a well-earned rest, the Treasurer reconsidered and has now decided to schedule the special Convocation on September 11, 2019 (likely at 9:00 a.m.) to continue consideration of the Statement of Principles ("SOP") and deal with other business.

Stay tuned and to be fully informed as the day unfolds, I encourage you to join the webcast from the Law Society home page link ([www.lso.ca](http://www.lso.ca)).

I urge you to take a moment and email your elected Benchers and the Treasurer to let them know how you feel about the SOP and the time and energy being devoted to its reconsideration.

Hopefully we will not see a reprise of democracy running amok.
